# Corporate Events by the Lake

Set on the shores of Lough Ramor, The Lakeside Manor offers a corporate setting that feels professional without losing the warmth and character the hotel is known for. From boardroom meetings and conferences to team gatherings, client dinners and company celebrations, each event is tailored to suit your group and your goals.

Our flexible event spaces include the spacious Failte Suite, private meeting rooms, and relaxed dining areas, all supported by experienced staff, thoughtful service, and menus built around good food done properly. Whether you're hosting a strategy day for 10 or a corporate dinner for 200 guests, we'll help shape an event that runs smoothly from start to finish. For teams looking to get out of the meeting room, we also work alongside local partners to create memorable team-building experiences on the lake.

At The Lakeside Manor, corporate events are about more than schedules and presentations. They're about bringing people together in a setting that feels relaxed, welcoming and genuinely enjoyable.
